

# CAPTURE, QUALIFY AND DISTRIBUTE LEADS ... INSTANTLY.

Easy to use, easy to implement lead management and lead distribution solutions that increase ROI in 90 days ... **and we can prove it!**

## DO YOU WANT TO FOCUS ON PROCESS OR PROFITS? CLICKPOINT SOFTWARE INCREASES

LeadExec Vendor edition was designed for marketing and sales professionals that rely on the real-time distribution and management of leads.

### LEAD MANAGEMENT

Real-time reporting and analytics. See what is happening with leads in real-time.

### DISTRIBUTION

Our automated lead distribution system lets you choose the best distribution method: Weighted Distribution, Percentage, Round Robin, and Performance – So that every lead is monetized to their full potential. **Start earning more per lead with one easy-to-use solution.**

## OUR RESULTS ARE PROVEN.

ClickPoint provides an amazing piece of software that lowers one of the biggest barriers to entry for any person/company looking to enter the lead generation vertical. You can choose to spend thousands and thousands of dollars building a system that will NOT even get close to the features that LeadExec has, or you can simply use LeadExec.
